

### **Amendments to the Drawings:**

In the first office action mailed on March 25, 2008, the drawings were objected to specifying that FIGs. 5 and 9 should be labeled as "Prior Art." In an amendment dated June 11, 2008, Applicant submitted replacement sheets 2/4 and 4/4 in which FIGs. 5 and 9 are labeled as "Prior Art", respectively. In the office action summary of the current office action mailed on October 2, 2008, the drawings filed on June 11, 2008 are objected to. However, the body of the office action does not mention the drawings. As Applicant believes that the current objection to the drawings is in error, Applicant hereby resubmits replacement sheets 2/4 and 4/4 with FIGs. 5 and 9 labeled as "Prior Art", respectively.
